2012 Event Calendar & Credit Union Directory

'Providing Exceptional Value Through Cooperative Support'

Introduction and Table of Contents

Introduction

The Credit Union League of Connecticut is once again pleased to provide this Annual Calendar and Credit Union Directory as a convenient reference source. The information found here is accurate as of press time, but changes in schedules, events, personnel, and other details may occur throughout the year.

To support this calendar and directory, League departments will continue to issue timely notices on education sessions, League and Chapter events, and government relations activities as they occur.

Our aim is to keep Connecticut credit unions and Chapters as up to date as possible on information, matters, and events that are important to them.

The Credit Union League of Connecticut is a non-profit trade association founded in 1935 to represent, advocate for, and provide services to all credit unions in the state.

Our Mission Statement

“To achieve excellence in the Core Service Areas of Government Relations, Education and Human Resource Development, Credit Union Services, Compliance, Member/Public Relations and Communications.”

Our Tagline

“Providing Exceptional Value Through Cooperative Support”

Customized Training & Services

As a convenience to our member credit unions, the League will provide customized assistance in human resources, education, and salary administration areas.

Customized work is billed at a rate of \$125.00 per hour. The hourly rate for education is based on the actual time training. The rate for human resources and salary administration assistance is dependent upon the amount of time spent reviewing, compiling, and creating a custom report for your credit union. The time varies depending upon the complexity of the request, but an estimate will be provided prior to starting any project.

Examples of customized training sessions can be found on the League website at www.culct.coop, in the 'Education Homepage' section. If the credit union would like assistance with something not listed, please contact Barb Bass at 203-608-7054.
